This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of Madison River Communications, LLC ("Madison River") for an extension of time in which to file its revised tariff.

By Order No. 2000-745, dated September 7, 2000, Madison River was granted a Certificate of Public Convenience and Necessity to provide local exchange, exchange access, and interexchange telecommunications services within the state of South Carolina. Order No. 2000-745 also required Madison River to file its revised tariffs within certain time frames. The revised tariffs are to include modifications suggested by the Commission Staff as well as modifications ordered by the Commission. Further, the revised tariffs are to conform to state law.

By letter dated October 11, 2000, counsel for Madison River requested additional time in which to file the revised tariffs. Counsel states that in reviewing the revised tariffs

he noticed a few changes that still need to be addressed. Counsel requests an extension until October 17, 2000 in which to file the revised tariffs.

Upon consideration of this matter, the Commission finds that Counsel has stated a good reason for the requested extension. Therefore, the Commission finds that the requested extension of time in which to file the revised tariffs should be granted.

IT IS THEREFORE ORDERED THAT:

1. Madison River is granted an extension of time, until October 17, 2000, in which to file its revised tariffs.
2. This Order shall remain in full force and effect until further Order of the Commission.
